Dear Mr. Heelis,

Further to your letter of the 29th July, to Cllr. Richard Millard, I would advise you that I have provided you with as much information as I am able to, at this current time.

I can assure you that the Planning Policy Team are working hard to progress the Local Plan, and are following due process.

Technical work is ongoing and by its very nature requires research and policy interpretation. This takes time, and when there is information/evidence to share in the public domain we will do so, as we always have.

Kind regards,

Cllr. Angela Glass
