

ALTON & DISTRICT RESIDENTS ASSOCIATIONS

Draft Local Plan 2017 – 2036

There will be a face-to-face Consultation meeting on **Friday 15 March**
15:30 – 20:30 at Alton Maltings, Maltings Close, Alton, GU34 1DT

HOUSING

The housing sites themselves have already been allocated and it is less than we had thought would be imposed on Alton. As ADRA we are choosing not to comment on the location of the developments.

However, please consider the following key points for housing in **our town**:

Affordable housing (p 163 of the Draft Plan)

Viability of our town centre (p 202 – 210)

Design and Local Character (p 249 – 276)

Landscape & Biodiversity (p212 - 223)

Renewable and Low Carbon Energy, and planning for climate change (p 231 – 237)

Resource-efficient design (p 238)

Important Development Sites that will affect **your town**:

Wolf's Lane, Chawton (p93) – 12 pitches for travelling showpeople.

Northfield Lane (p95) – 5.3ha employment site, adjacent to the by-pass.

ADRA also urges you to review and make comments about the **SCHOOLS & INFRASTRUCTURE**, and **HABITATS & WILDLIFE PROTECTION** sections within the Draft Local Plan.
